A. TEACHING FACULTY:

1. For the query about name of teachers not correlating with attendance register. We are enclosing the appointment letter of 36 teachers in attendance register. For the acquaintance payment sheet of 26 staff members is attached. 10 staff members are on honorary designation the affidavit is attached for same.
2. Out of 24 teaching staff members 16 members were present, 5 teachers were on duty to attend NCH CBDC work-shop at Pune (MS) and 3 teachers were on leave. The leave application of the teachers are provided and copy of CBDC training leave also provided.
3. We have the faculty members of modern medicine who are visiting for theory and clinical classes. The record of attendance of theory and practical classes as well as the appointment letters of faculty members included for the record (Affidavit provided)
4. The appointment letter of all 24 faculty members submitted for verification. For the acquaintance the record of salary register and bank record is attached. The attendance record of all 24 faculty members submitted for verification.

REMARKS OF VISITING TEAM:

1. On the day of visit only 5-6 patients were seen by the committee but the flow of the patients for the rest of the day was average.
2. Instead of OPD department register a central register was in practice for the record of patients. As advised by the respected committee from 8 August 2024 onward separated Department OPD register are prepared and kept along for verification.
3. The Gynecology and Pediatric OPD were functional at same place and total 3 OPD's were operational. As per advice separate Pediatric OPD is now formed and the photograph of same is submitted for verification. The total number of OPD now is 4 namely Medicine, Surgery, Obst/Gyn and Pediatrics respectively.
4. The college hospital register have the name of college and address. Photocopy of same is provided.
5. As advised by respected committee members the college OPD and IPD records will be shifted on digital platform in near future . The bill of software purchased is attached.

6. The few blank/half filled pages found in central OPD register was due to delay in entering the names. In routine practice a rough record of name of Pt/Redg. No. is made for each day and then entered to central OPD register. The record of both rough and fair copies has been submitted for verification.
7. The OPD registration number not matching with IPD record was a human error. The record of IPD and OPD register can be verified to check alignment.
8. The IPD toilets and water supply was under repair and maintenance. The photo copies of bills and the photographs of repaired toilets submitted for the record.
9. As per advice a separate Pediatric ward has been made functional and the photograph is attached.
